

CLARIFICATION ON GUARDIAN ROLE

Date: 30.06.2026

**To,
The Visa Officer**

This is to clarify that the term “**legal guardian**” mentioned in the Guardian Consent Letter refers to the role of a **local guardian and responsible contact person in Austria** for the student during his stay.

The guardian will provide care, supervision, and necessary support as required throughout the student’s period of education in Austria.

This clarification is submitted for the kind consideration of the concerned authorities.

The appointment of the guardian is made solely to ensure that the student has a responsible adult residing in Austria who can provide assistance whenever required during his stay.

This arrangement is intended to facilitate the student's welfare, communication with the educational institution or authorities when necessary, and prompt support in unforeseen situations.

This arrangement has been made in the best interests of the student to ensure appropriate local guidance and support while residing in Austria.

Sincerely,

Shineil Keith Mathias
